To the Staff and Board of Kiwi Community Assistance (KCA)

Thank you for the time and effort you give KCA. The items we order for our clients make a big difference to their households.

All items received have been checked that they are in good condition along with having all electric items checked by an electrician.

Recently we have picked up –

- Children's Clothing
- Single and Queen Beds
- Family Bed ware
- Towels
- Bench Top Oven
- Slow Cookers
- Adult Clothing
- Clothes Racks
- Kitchen items
- Along with many food parcels.

Many families cry when items are dropped off – Overwhelmed from the kindness of others and relief.
