Hi Tracy,

One of the ways we at Salvation Army Johnsonville support our community is to provide a meal, MASH (Meal At Sallies House). Everyone in the community is invited, free of charge, and we have a range of people coming in to share a meal with others each Wednesday lunchtime.

Along with our meal we are very grateful to have support from KCA who provide us with frozen milk, and bread each week. Members of our community are very keen and grateful to be able to come along and get some supplies to supplement their pantry. Sometimes KCA have also provided other items to offer to our community, which have been gratefully received also.

We would like to acknowledge and thank all the staff and volunteers at KCA who support our work to the community through your service, a partnership established in 2012. We appreciate you have a big job, a heavy task, and that you take very seriously your mission to save food and redistribute it to people in the community who need it, to help reduce inequality. Our communities are blessed to have you working so hard to make this happen. Thankyou to all of the team at KCA! We look forward to continuing to work with you in the future, helping our communities together.

Kind regards

Karen
