Greetings,

It is with gratitude to Tracy and the dedicated volunteer team at Kiwi Community Assistance that we wish to acknowledge their support over the years by providing much needed perishable & non-perishable goods.

We have kindly been donated fresh produce, frozen milk, pet food, meat, face masks, hand sanitizer and cleaning products. These items have supplemented our food parcels for individuals/families and whanau of our local community in need.

We value the work of KCA and the hardworking team of volunteers who contribute greatly to meeting the needs of our communities. The team a very efficient and we appreciate the time and effort that goes into fostering our working relationship.

Nga mihi
