To whom it may concern,

Kiwi Community Assistance (KCA) has been working with the Home of Compassion Soup Kitchen since 2013, and since 2018 has been our main source of food rescue.

During the uncertain times of the Covid-19 lockdown, we received increased support from KCA. We would pick up a couple of days a week masses of food and on occasion KCA would be able to source items for us and deliver it to the Soup Kitchen, during our busiest times.

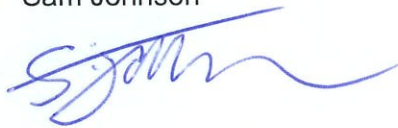

Their increased support during these times meant that we were able to provide hot healthy meals to over 12,000 people during the Covid-19 lockdown.

Since Lockdown KCA's support has increased significantly than before and the Soup Kitchen now relies heavily on their food and clothes donations.

We look forward to continuing our relationship with KCA in the years to come.

Kind regards,

Sam Johnson
