Kia ora Friends,

We are deeply grateful for your incredibly generous donation of McCain's frozen mixed vegetables that you kindly donated on 26/08/2025. Your kindness and thoughtfulness are truly extraordinary, and we are humbled by your support.

Please know that your generosity will have a meaningful and lasting impact on the lives of individuals and families who come to us seeking help, hope, and dignity. Every item you've donated is a reminder to someone in need that they are seen, valued, and not alone.

Your support enables us to continue walking alongside people during some of their most challenging moments—through our Social Supermarket, Community Café, financial mentoring, advocacy, and holistic support services. Thanks to you, we can offer not just practical help, but compassion, empowerment, and connection.

Thank you once again from the bottom of our hearts. Together, we are creating real change and restoring hope across our Wellington community.

Noho ora mai,

Murray Edridge
