To Whom It May Concern

Linden School highly values our connection with Kiwi Community Assistance (KCA).

Over the years we have been associated with KCA, we have found them incredibly responsive to all requests for food and clothing, not only with what they provide but also with the speed of their response. Their ordering system functions well- they respond by email within a few minutes, and provide what is needed within 2 days. This is amazing and supportive.

KCA are always competent to deal with through ordering or by phone, and nothing is ever a problem.

We are privileged to belong to a community that KCA supports and is a part of.

Thank you KCA for all you for us, for the long hours and early starts you put in, and your professionalism.

Nāku noa

Gaylene Hill  
Principal
