To Kiwi Community Assistance

On behalf of the Newlands Community House Inc. we would like to express our heartfelt thanks for all your support. Without Kiwi Community Assistance we would not often be able to put fresh produce in every food parcel. You have saved us a lot of time and money. We were certainly struggling to keep up with client's needs and your assistance has truly made an important difference.

You have also helped us with clothes, beds, curtains and other household needs for people living in Newlands, Grenada Village, Bellevue. We would not have been able to do this without your wonderful help and support.

May we also comment that when we have contacted your volunteers nothing is ever too much trouble, something that makes it easier for us and very much appreciated by us all. We would not have achieved as much as we have without your assistance.

We would strongly endorse Kiwi Community Assistance for any application for funding, grants or sponsorship. If you require any further information please do not hesitate to contact me on 027 7333 5088.

Yours sincerely

Michele Rowe  
Foodbank Coordinator
