Dear Tracy, Volunteers and Sponsors of Kiwi Community Assistance,
I am writing to thank you on behalf of Salvation Army Tawa for the ongoing support to our Foodbank in Tawa over the past 5 years with donations of bread, milk, meat, produce and non perishable items.
Through your support we have been able to keep providing food parcels to members of our Community.
We use a choice based model for our clients and it has been great to see our clients choose what they are needing for their Food parcels.

Recently we have had families through with young children and it has been amazing being able to help them with produce, something in which they have been saying is costing them a lot in their groceries as well access to meat as it is something they have not been able to get for a while.

We would like to thank the team of volunteers who pack our orders each week, we appreciate all the work you which is making a difference in our community.

Thank you for all you do.
God bless you and your whanau

Blessings
