Kia ora Tracy,

I write on behalf of the Tawa and Plimmerton Conferences of The Society of St Vincent de Paul.

Your group, Kiwi Community Assistance, has been and is a wonderful supporter of our efforts to help people and families in need. The goods that you donate to us go a very long way in enabling us to supply healthy food parcels to those who would otherwise miss out.

I want to express our sincere thanks to your staff and volunteers who do so much to make this happen. You make our work just so much easier.

Our best wishes to you all  
Nga mihi nui

Gerard Stevens
