

On behalf of TOA – Te Roopu Awhina Social Services, we would like to express our heartfelt thanks to Kiwi Community Assistance (KCA) for the wonderful support you have provided for many years to the people and whānau we support in Porirua and the greater Wellington region.

You and your staff have done an amazing job helping our community. Your kindness, generosity, and commitment have made a big difference in the lives of many families who are struggling. The food and household goods you provide bring not only practical support, but also comfort, dignity, and hope to those in need.

For many years, KCA has stood alongside our community, and without your ongoing support and the hard work of your team, many of the whānau we support would face even greater challenges. We deeply appreciate the care and effort you put into serving our communities, and we are truly grateful for the positive impact you continue to make.

Thank you for standing alongside us in supporting our whānau and community for many years.

Ngā mihi nui,

TOA – Te Roopu Awhina Social Services
