

Kiwi Community Assistance,
C/-5 Peterhouse Street, Tawa,
Wellington 5028

Dear Tracy and Team at KCA,

We would like to express our appreciation to Tracy and the team at kiwi Community Assistance who have supported us here at Wellington City Mission for over the past 10 years, enabling us to provide out to our wider community.

This long-standing partnership has helped us reach our goal for vision” people and communities, empowered, transformed, experiencing fullness of life” giving support to thousands of families, who engage with our services for either a one- off need or long term.

I would especially like to mention the pet-food, KCA has provided us with substantial large quantities, this has given our community much joy, not only receiving Kai from our Social supermarket shelves but filling the tummies of their 4-legged family members too, is most important to say the least.

We are eternally grateful for all the hard work & commitment Tracy & all the amazing Volunteers who give their time, and passion to make this happen, not to forget the donors who support KCA with product, to distribute out to organisations like us, to keep us collaborating, and continue to give back to our Wellingtonian Community.

Nga mihi Sarah
