To Whom This May Concern

KCA has been supporting us with food, clothing, shoes, linen, toiletries to name a few since 2014 helping to enrich the lives of the hundreds of guests we have had through our doors in that time.

Without Tracy and her fantastic team our guests would have often gone without food, warm clothing and basic needs as we rely heavily on donations from them. We have received hundreds of banana boxes from KCA which have been distributed to our guests whom are among the most vulnerable people in Wellington.

Tracy and her staff and volunteers are always helpful and we look forward to working with them more in the future to make the experience of homelessness rare, brief and non-recurring.

Kind Regards,
Michaela Miller
Finance and Office Administrator
Wellington Night Shelter
