### **To Whom It May Concern,**

We would like to acknowledge and share our gratitude for the support and assistance the Kapiti Community Foodbank receive from the Kiwi Community Assistance.

Kiwi Community Assistance provides the Kapiti Community Foodbank with food assistance every week. We receive boxes of meat, eggs, produce, frozen food, fruit, vegetables and when available dried goods. Shortages of late have meant we have been requesting more dried goods and KCA are always happy to source and where possible meet our needs.

Without the assistance from KCA we would be struggling to supply many of our clients with meat, frozen and refrigerated items. During the past year where supplies have been short and hard to come by, KCA have supported us not only with food goods but when requested household goods for the homeless.

The volunteers at KCA are always willing to help us sort supplies for which we are grateful..

Our clients are immensely appreciative of the fresh produce that we receive.

The goods that we receive enable us to provide healthier food parcels, enabling our Clients to create meals rather than fast food.

We are happy to support Kiwi Community Assistance (KCA) in their work to rescue food and goods and in doing so, reduce inequality in our communities.

Yours sincerely
