RE: Testimonial for KCA

To Whom it May Concern,

On behalf of the Redwood Daycare Charitable Trust I would like to express our immense gratitude to KCA for the regular donation of foodstuffs to the Redwood Club. As part of the Redwood Club's service, we provide our members with morning tea, afternoon tea, and a daily hot meal, which invariably include goods donated by KCA. We have been receiving donated goods from KCA for over three years and this has a hugely positive impact on the day to day running costs of our service.

We understand that many volunteer hours go into the many and varied tasks associated with the rescue, recovery, and delivery of the perishable goods provided by KCA. We would like to take this opportunity to acknowledge the KCA volunteers for their generosity in giving their time to ensure that products reach their destinations safely and intact.

We are very grateful for the essential community assistance KCA provides.

Kind Regards,

Julie Cederman
