Dearest Kiwi Community Assistance

I would like to take the opportunity to acknowledge the great work you all do in our community , we have at many times felt very privileged to have had your ongoing support which helps us a great deal in being able to give to all the families, individuals and children we work alongside across Porirua.

We would like to truly acknowledge all the volunteers who continue to give their time to ensure the community gets the best and the many times you have been able to support our young people by allowing them all the opportunity to join your team in order to give back and learn about what it is you all do.

Your processes are very simple and easy to work with, Tracy you are an inspirational leader who just keeps giving endlessly.....I love your to the point, be punctual, no time to muck around attitude. You run a very tight ship that serves not just a community an entire region with tireless effort .

Thank you to the entire team for all your efforts and the fact you enable us to give so much to our community. Its teams like Kiwi Community Assistance that make the difference humbly at the grassroots.

Kindest Regards
