Kia ora,

RE: Kiwi Community Assistance (KCA)

I am writing in endorsement of KCA and manager Tracy Wellington.

Holy Family School have been a recipient of the KCA programme for more than two years now. During that time, we have been able to pass on food, drink and other products to our school community to support our children and their whānau.

We have been impressed at the professionalism of this bespoke volunteer organisation and can see the clear transparency that is self-imposed and enforced due to the sensitive fiscal nature of its core purpose.

Our decile one community have many struggles that they face on a day to day basis and the support that KCA provides is invaluable to us in our delivery of specific programmes that assist our families.

One example of this is our free after school programme that runs three days a week, the support of KCA to provide a range of quality and nutritious food ensures this programme is not a burden on our families, we have over 75 children that take up this opportunity and benefit from the generosity of our KCA partners.

Tracy Wellington is a committed, extremely hardworking and talented manager of the KCA programme and her personal contribution to helping a massive amount of people cannot be under-estimated.

If anyone would like to discuss our experience of KCA and the benefits of the programme, I welcome any contact.

Nga mihi
